Pour on the energy

When you reflected back to me, how you could understand why I could easily be disappointed with you, it made such a difference. You helped me to open up to seeing how it was for you...

**You possess the power
of deep reflection and humility.**

Pour on the energy

The way you managed to give me the time to explain myself was truly amazing.

You remained calm, and gave me all the time I needed to get across my feelings and explain why I was upset.

Your patience and understanding was awesome

Pour on the
Energy...

'ROLE PLAY'

Fight or Flight Scenario!

Wife - reminds husband who seems to have forgotten his promise to spend time with children so she can catch up on other responsibilities

Husband - getting more and more upset as she doesn't back off

Harsh words...from both sides

Wife - You said you'd take the kids to the park.
You never do what you say you are going to do
I should have known... why do I even bother?

Husband - I don't have time now, something's come up.
You're never satisfied...
If it's not one thing... it's the next.
It's a waste of time talking to you!
